

*Don't Just Make It New,
Make It New Vision*

New Vision

Complete Ceiling Headliner Replacement Kit for Most EMD/GE Locomotives

Installing or replacing
your ceiling made easy.

Our complete headliner
kits from New Vision are
easy to install, light weight,
easy to clean & include all
the materials necessary for
your custom install.

KIT INCLUDES:

- *Vinyl faced panels*
- *Insulation*
- *Trim with mounting system*
- *Bonding Strips*
- *Trim Cutting tool*

Complete Kit #5151065

Standard Ceiling Kit #5151060

Ceiling Repair Kit #5151052

**Sound deadening*

**Control climate
inside your cab*

**Rugged Design*

*Permanent
Solution!*

Our
Standard Ceiling Kit
includes everything listed in our
Complete Ceiling Kit,
minus the inclusion of our cab
insulation. This ensures the
reuse of your current insulation,
providing the condition is still
acceptable.
